

Find a Job in Education

Recruit. Train. Empower.
It's what we do.

We are an education recruitment company that can help secure your work placements in schools, colleges, and nurseries.

We talk with every candidate to find out what their employment and training needs are, and where their ambitions lie. In addition, we know exactly what schools look for and our personalised service includes expert advice and support with interviews and CV writing, which can make all the difference in securing your next role.

Whether you want a short-term supply, long-term or permanent position we can help. With a wide range of jobs available and years of industry experience, our dedicated teams are perfectly placed to connect you to your ideal role.

Our services:

- Dedicated Consultants working on your building your career
- Support, advice and guidance through the Interview process.
- CV writing support
- Team Teach training
- SEND workshop training
- FREE online CPD on a variety of topics, from behaviour management to safeguarding

Who we work with:

- SEND Schools
- Primary Schools
